* Decrease.

Miscellaneous Operations

Water service receipts during 1953 exceeded expenditures by \$533,649.12. This surplus will be applied in 1954, in accordance with the provisions of chapter 324, of the Acts of 1914, to the payment of outstanding debt of the city, thus reducing in a like amount, the debt redemption requirements to be raised in the 1954 tax levy.

Operation of the Sumner Traffic Tunnel for the year resulted in an excess of receipts over expenditures in the amount of \$901,235.50. These excess receipts will be paid over to the Board of Commissioners of Sinking Funds under the provisions of chapter 361 of the Acts of 1945, to be used for the ultimate redemption of Traffic Tunnel Retirement Loan debt.

Printing Department expenditures exceeded receipts in the amount of \$106,284.14 for the year. This deficit was provided for out of unexpended departmental appropriation balances.

Conclusion

During the fiscal year 1953, all known obligations of the city were either paid in full or adequate reserves were established to provide for their ultimate payment. All funded and temporary debt obligations were paid as they matured. Interest payments on all forms of outstanding debt were promptly made.

The form of this report follows closely that recommended by the National Committee on Municipal Accounting. Under the present accounting procedure of the city, accounts are maintained on a modified accrual basis. Taxes and accounts receivable are accrued for balance sheet and control purposes but are not reflected in the receipts of the city until collected.

Respectfully,

JOSEPH P. LALLY,
City Auditor and Auditor of the County of Suffolk.
